

SHARE A SMILE!

As you've discovered, our personalized care can help you create and keep a beautiful, healthy smile that lasts a lifetime!

Now you can share the same level of care with your family and friends. Just give this card to a family member or friend and they will receive a complimentary comprehensive exam, full mouth x-rays, and personal consultation with Dr. Medina - a value of \$200.

Your referral is the finest compliment you can give us!
